

# East Lancashire County Scouts World Scout Jamboree Unit 42 (Mad Hatters) and the Rossendale Iceland Contingent

*East Lancashire Scouts are a registered charity. Charity number 521711.*

On behalf of the World Scout Jamboree Unit 42, the Rossendale Iceland Contingent and Knowsley Farm, thank you so much for your kind donation to the Woodland Creation Project at Knowsley Farm, Whitworth over the Easter holidays.

It was inspirational to see the young people working really hard as a team, in sometimes very adverse weather conditions and succeeding in planting all 1750 trees/shrubs. They really enjoyed taking part in something so worthwhile and if you look closely even now you can see the work they did. Your kind support has not only helped leave a lasting legacy in the hills of Whitworth and helped the environment, but also encouraged our young people to work hard towards a purpose.

Here are a few photos of the event for you.

**THANK YOU**

*This is an approved official fundraising Scouting activity for the young people concerned.*
